

REHABILITATION PROGRAM COMFORT

AT LEAST 7 NIGHTS | FULL BOARD | 28 TREATMENTS

Reconditioning and rehabilitation program designed for clients with chronic musculoskeletal disorders and for clients who want to improve their physical condition. The program includes individual exercises with a physiotherapist, peat treatments, baths, massages and a wide range of supportive treatments. This programme includes individual and group treatments.

At the beginning of the stay, the client undergoes a consulta-

tion with a physician. The doctor analyses the client's health condition and, if necessary, adjust the set of treatments to suit the client's health condition. Please, send us a medical report before booking a program. This must include your diagnosis, prescribed medication, the aids you use (crutches, wheelchair) and whether you are able to attend the programme unaccompanied.
